

Kindergarten Readiness
Tip of the Month
October

Now that darkness is settling in at the end of the day, take this time to play games with your child. Playing games allows them to learn many skills.

Take Turns

Follow Directions

Strategy

Dealing with defeat

Dealing with winning

Cleaning up

In addition to these many soft skills kids learn while playing games, there are many games that help kids learn letters, colors, and numbers as well.

Try these if you are looking for game ideas:
