Spring IS Coming!

Planning and planting is taking place for this year's school garden. Now is your chance to get involved! Who can help?

Several families and a 4-H troop have already volunteered to help do some watering and weeding this summer. Thank you! If you would like to get more involved, call the Community Education Office at 879-4038 or just show up at the garden this summer. You can participate in "Thursday's in the Garden", or come anytime! Most vegetables we will be planting are late harvest and will be used this fall in the school cafeteria, but if you are at the garden and something is ripe, pick it and enjoy it!

How do I know what to do?

If you arrive at the garden and no one is there, head on over to the shed and read the information available. There will be instructions on who to call to get the code for the lock and you can use any of the supplies/equipment available. A hose will be hooked up and instructions on what to water/weed. There will also be a garden log in the shed for you to tell others when you were there and what work you did in the garden.

Esko Band Reporter

We certainly had our own version of "March Madness", starting with impressive performances by our two jazz ensembles at The Head of the Lakes Jazz Festival at UMD on March 9th.

Next up was the MSHSL music contest held once again at UMD on March 18th and 19th. The concert band earned three Superior ratings with scores of 39, 39, and 38 (out of 40) on Division 1 music. The judges for the band were Mark Whitlock (UMD Band Director), Pam Bustos (UWS Band Director) and John Hussy (Retired Band Director). The Jazz Ensemble One also earned a Superior rating with the score of 40. Not to be outdone, Hannah Erickson with accompanist Josie Stracek also scored a perfect 40 on her flute solo. She also received best performance of the day from her judge. That is quite a feather in her cap.

All of the following groups earned a Superior rating: Jake Siptroth and Bethany Kemi scored a 39 on their flute duet. Whitney Carlson and Katie Boettcher scored 38 on their clarinet duet. The sax quintet comprised of Jace Brademan, Jennah Calverly, Isaiah Salinas, Zach Liupakka, and Matt Sunde scored a 38. The Trumpet quartet with Will Omberg, Jacob Laundergan, Josh Liupakka, and Austin Pera scored a 35.

The Flute trio received an Excellent rating with a 33 score. The players were Chloe Fredrickson, Emily Saphner, and Kelsey Rye. They were accompanied by Katie Boettcher on the piano.

The pep band was very busy performing at 10 games between March 2nd and 23rd. The Girls and Boys Basketball teams made for many bus trips to UMD and Minneapolis. In fact, the last game was on Saturday morning on March 23rd, the same day that we left on our band trip to New York City.

From March 23rd through the 29th, 53 band students traveled first to Cleveland, Ohio then to NYC, and finally Chicago. Check out our Facebook page "Esko Band Trip" to see many pictures. It was truly a wonderful trip with great kids, great events, and great chaperones. You will see photos of the Rock and Roll Hall of Fame, Statue of Liberty, Broadway, Radio City Music Hall, Times Square, boat trip, United Nations, Intrepid, Central Park, the "Bean", and many more.

The Band concert on April 9 was well attended and received. We heard great comments about all of the groups and the kids felt that they created a memorable performance. Highlights from the evening were The Last Stagecoach Heist (7th), Lord of the Rings (Junior Band), and Lion King (Senior Band). The Senior Band also played music from Wicked and Phantom of the Opera, the other two Broadway shows that they attended in NYC. On Friday, April 26th UMD Jazz 1 under the direction of Ryan Frane will be performing in the Theater at 12:30. This is part of a multi-day recruiting and performance tour around the state.

On Monday, April 29 our Jazz Bands will be playing our fourth annual Big Band Dance, this year it will be at Grandma's Sports Garden in Duluth from 6 pm to 9 pm. This is a fundraiser for the Esko Music Boosters. Tickets are sold at the door \$10/person and \$30/family. There will be a pizza buffet and silent auction. Buffet prices: \$9.99/Adults and \$6.99/ages 6-12 and free for ages 5 and under. Silent auction items can be viewed ahead of time on the Esko School web site under the Esko Community tab then Esko Music Boosters. There are some new and exciting offerings this year. As before, some of our outstanding alumni will be joining our band playing America's music...Jazz.

Our elementary concert is scheduled for Thursday, May 9th starting at 6:30 pm.

On Tuesday, May 14th will be our final jazz concert. This will be a very special concert as will be performing with THE BIG TIME JAZZ ORCHESTRA. It has been many years since BIG TIME last played at Esko and students back then were inspired by their performance. Our jazz bands will be performing music from the MSHSL contest and Big Time will be playing music from Stan Kenton, Gordon Goodwin, "Jelly Roll" Morton, Charlie Parker, Dave Brubeck, and more. This show will start at 7 pm in the auditorium. Please attend this event and support our jazz program. Admission is \$8/adults and \$5/students/seniors.

Our Fine Arts Award night will be held on Sunday, May 19 starting at 6 pm in the auditorium. This event shines the spotlight on our best arts students. There will be performances by vocalists and instrumentalists, art work will be on display, and awards will be given to students from the fall play, one act play, and the art and music departments. This is a wonderful opportunity to sit back and celebrate a variety of tremendously talented students while enjoying yummy deserts.

Finally, graduation is on Friday, May 31. Students from grades 9-12 will be performing at this important event honoring the seniors and their completion of the requirements at Esko High School.

Rich Mowers

DESTINATION IMAGINATION

Performing plays! Morphing masks! Thinking on your feet! Developing slogans out of three randomly chosen nouns! All of this—and more—happened on Saturday, March 2, at the Regional Tournament for Destination Imagination. Eleven Esko teams participated. Students ranged in age from Kindergarten through 12th grade. All of our “DIers” worked hard over three-four months preparing to present their challenge solutions in front of a panel of appraisers.

Four teams qualified for the State Tournament which will take place at Champlin Park High School on Saturday, April 20.

The Allies, a team of eighth graders, qualified in the “InDisguise” challenge. Team members are: Madison Marzolf, Nathan Sunde, Jodi Claflin, Paige McCoy, Rose Jasken and Sawyer Forslund. Their Team Manager is Michael Jasken. This team also was awarded a DaVinci Award for exceptional creativity.

The Make It Rain team also qualified in the “InDisguise” challenge. Team members are: Daniel Jokinen, Ross Erickson,

Connor Hyde, Nathan Moder, Sam Yapel and Ethan Linder. The Team Manager is Ryan Hanson.

Two Esko teams qualified in the Improv Challenge, “Change In Realitee”. The only props the teams could bring were plain white T-shirts and washable markers. Each team was given three variables to use in their skit and then given five minutes to plan it. The Improphets’ team includes: Teddy Webster, Jacob Lindig, Aurora Webster, Ben Bisel and Jade DeVries. The Team Manager is Kris Carlson.

The Au Je Zen! team includes: Sara Peterson, Sarah Bisel, Sarah Bohren, Ben Peterson and Julia Bisel. Their Team Manager is Laura Bisel.

One of our elementary teams, The Secret Agent Munchkins (SAM), was also awarded a DaVinci Award for exceptional creativity. Members of this team were Mollie Belich, Ellie Regas, Audrey Menor, Maria Rydberg, Riley McIlvain, and Jordynne Wohling. Laura Zimny was their Team Manager.

Good luck to our teams at state! Congratulations to ALL of our Destination Imagination participants.

NATIONAL HISTORY DAY

Nine Esko students participated in the Northeast Minnesota National History Day competition on Saturday, March 16, at UMD. These students truly MADE history by being the first students in Esko history to participate in this program.

The students worked in groups of 2-5 students. They chose a topic in history and then related that topic to the year’s theme, which was “Turning Points”. Students needed

to prove why their topic was a turning point in history. The topics chosen by the groups included the dropping of the first atomic bomb, the 19th Amendment (Women’s Right to Vote), and The Trail of Tears.

The groups then developed exhibits supporting their thesis statements. They also wrote process papers with annotated bibliographies showing what resources they used in developing their exhibits.

Congratulations to our National History Day students: Abby Rud, Haley Sonneman, Arianna Murto, Carter Vork, Devan Arntson, Dylan Carlson, Eric Newman, Reid Davidson, Ian Mills and Camden Cossalter.

Joyce Bergstedt named Distinguished Education Professional

Joyce Bergstedt accepts the Distinguished Education Professional Award from NDSU President Dean L.

Fargo, N.D., April 19, 2013 – Joyce Bergstedt, program facilitator and career center/volunteer coordinator at Esko Public Schools, has been named a Distinguished Education Professional by North Dakota State University. She was one of seven professionals to receive the new award April 19.

The Distinguished Education Professional award recognizes Minnesota and North Dakota high school educators who are advocates of access to higher education and who work effectively with the NDSU Office of Admission.

“These educators play an incredibly important role in supporting access to higher education, which is at the heart of NDSU’s land-grant mission,” said NDSU President Dean L. Bresciani. “Their knowledge of programs and resources at colleges and universities helps stu-

dents see what is possible. We want to recognize them for the outstanding support they give their students and representatives from NDSU who work with their schools.”

Recipients were nominated by Office of Admission staff based on leadership, commitment and excellence in supporting access to higher education and support of NDSU’s recruiting efforts.

Bergstedt was nominated for creating an environment where students are well prepared for the college search process and for visits from college representatives.

“Consider all your options” is her advice to students. “Find a school and career that is a fit for you. This may take some time, and that’s OK. Be prepared to take responsibility for your post-secondary education or career.”

Bergstedt has worked in education for 15 years. She holds a bachelor’s degree in business education.

Dear Parents:

The best way to register for classes is to completely fill out the registration form from the paper or the after school club flier. Attach your fee and mail it to the Community Education Office at P.O. Box 10, Esko, MN 55733 or have your child give the envelope to their teacher. You can also register online at www.esko.k12.mn.us. Click on the Community Education/Class Registration tabs. Your child is registered if we do NOT call you to say it is full. Please plan on your child attending unless you hear from us.

Any changes in class dates and/or times will be communicated via e-mail. Please be sure we have all updated information. E-mail is our preferred method of communication as we are able to generate a message to several people quickly. Watch your e-mail for class updates. If we do not have an e-mail address on file, you will be contacted via phone, or a note sent home with your student.

Your child's teacher and Cool Kids staff will have a roster of all kids in each after school club. We ask you to send a note to the teacher stating that your child will be staying after school for the club. After school, the students will line up by the cafeteria, be checked in by a staff member, have a snack, and then be brought together to their class.

If your child will not be at a scheduled club, please inform the teacher and call the Community Education Office at 879-4038. These multiple checks and balances are there to keep your child safe. Unless stated otherwise, pick your child up at the East Entrance (by playground #6) of the school. Thank you!

Summer Break Begins

It is hard to believe that there is roughly one month of school left. It has been a fantastic year so far! Let's continue to work together to make this last month of school a great one for our families, students, and staff.

Next Year

Winterquist Elementary is saying goodbye to a great teacher this year. Mr. Brent Smith will be retiring at the end of the school year. Needless to say, he is going to be greatly missed. We wish him the best in his future endeavors.

Staff Placements

There will be a few changes for next year in our staff placements. Mrs. Pырlik will be joining the 5th grade team. Our 2nd grade will become a section of five so we will be hiring a 2nd grade teacher to join their team this spring.

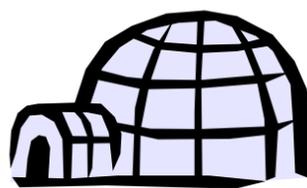

Gift Baskets

The PIE Partners in Education will be having a Silent Auction during our K-6 Spring Program on May 9th. PIE is fundraising to purchase iPads for our students that will engage all learners and enhance the learning experience in all subject areas. The

items up for auction will be theme baskets created by each classroom. Each classroom has chosen a "theme" for their silent auction basket. More information to come...

Kindergarten

Kindergarten Round-Up was held last month for our incoming Kindergarten students and their families. Once again we will be welcoming a wonderful group of students to our Winterquist family next fall. If you weren't able to attend, or if you know of a family that has not yet registered, please contact the Elementary Office at 879-3361.
