### **I. PURPOSE**

The purpose of this policy is to establish a clear statement of the purpose for which the school district exists.

### **II. GENERAL STATEMENT OF POLICY**

The school board believes that a mission statement should be adopted. The mission statement should be based on the beliefs and values of the community, should direct any change effort and should be the basis on which decisions are made. The school board, on behalf of and with extensive participation by the community, should develop a consensus among its members regarding the nature of the enterprise the school board governs, the purposes it serves, the constituencies it should consider, including student representation, and the results it intends to produce.

### **III. MISSION STATEMENT**

Esko Public Schools shall provide a safe and enriching environment that promotes diverse academic and co-curricular experiences to maximize every student's life-long potential for success.
