## Checklist

I attached page one of the EFC (Estimated Family Contribution) from the FAFSA to be considered for scholarships those that require financial need documentation.

I requested recommendations from two people not related to me (one affiliated with ISD #99, the other is not). I informed them of the recommendation due date and gave them the recommendation form.

I know to print my completed application **single-sided** and turn it into the Esko High School office by its deadline. Late applications will not be accepted.
